Students invited to compete in the 66th Western Minnesota Regional Science Fair on February 6, 2015, at University of Minnesota Crookston

By Elizabeth Tollefson on Tuesday, January 13, 2015 Students in grades 6 through 12 (including public, private, and homeschooled students) interested in science, technology, engineering, and math (STEM) are encouraged to compete in the 66th Western Minnesota Regional Science Fair on Friday, February 6, 2015, at the University of Minnesota Crookston. The science fair, which takes place in Bede Ballroom, Sargeant Student Center, offers elementary and secondary students a chance to compete for scholarships, cash and non-cash awards along with the opportunity to advance to the state competition. The deadline for entries and required forms for projects and papers must be postmarked by Friday, January 23, 2015, and details can be found at [umcrookston.edu/sciencefair](http://umcrookston.edu/sciencefair). Registration for the science fair includes: individual project entry fee is \$12 per student; paper competition entry fee is \$10 per student; and the team project entry fee is \$12 per team member. Forms and fees can be submitted by mail to Western MN Regional Science Fair, c/o Katy Nannenga, University of Minnesota Crookston 2900 University Ave, Crookston, MN 56716. Sixteen projects will be selected to advance to the state competition and the winner at the regional level will compete in the international competition. The Western Minnesota Region is one of the eight regions in Minnesota and includes the counties of Big Stone, Becker, Clay, Grant, Mahnomen, Norman, Ottertail, Polk, Traverse and Wilkin. Exhibit set up will begin the day of the science fair at 7:30 a.m. with judging beginning at 9:30. The public is invited to view the exhibits from 2-3 p.m. in Bede Ballroom and an awards ceremony will take place beginning at 3:30 p.m. For additional information about the Western Minnesota Regional Science Fair, contact Nannenga at 218-281-8262 or visit the website for the science fair at [www.umcrookston.edu/sciencefair](http://www.umcrookston.edu/sciencefair). The Minnesota State Science & Engineering Fair (MSSEF) will be held March 20-22, 2015. MSSEF is the culmination of Regional Science Fairs that occur throughout the state. From approximately 2,500 regional participants, 500 students in grades 6-12 are selected to advance and present their research at MSSEF. To learn more, visit <http://www.mnmas.org>. The University of Minnesota Crookston now delivers 31 bachelor's degree programs, 22 minors, and 36 concentrations on campus as well as 14 degree programs entirely online. These degrees are offered in the areas of agriculture and natural resources; business; liberal arts and education; and math, science and technology. With an enrollment of 1,800 undergraduates from more than 20 countries and 40 states, the Crookston campus offers a supportive, close-knit atmosphere that leads to a prestigious University of Minnesota degree. "Small Campus. Big Degree." To learn more, visit [www.umcrookston.edu](http://www.umcrookston.edu).
